### Hitch-Mate™ Trailer Hitch Covers

This trailer hitch bar cover protects unaware passersby of potentially hitting their shins against the exposed hitch bar. Molded of soft, UV protected PVC plastic, this cover protects the hitch and ball, and you. With two styles to pick from, we have the cover to meet your needs: rounded or squared hitch bars. Both styles adjust to fit either 1-7/8" or 2" balls. Standard colors are black and white. Custom colors are available for runs of size.

Item	Holding Range	Description
HHT-RB	1-7/8 to 2"	Round back
HHT-SB	1-7/8 to 2"	Square back

### Shipmate™ - Stainless Pick

Durable plastic handle with 4" pick. Many uses. Blue or Black
